

Request for Proposal

Praja is a nonpartisan organization working towards enabling accountable governance in Mumbai. Praja conducts Data driven research and provides information on civic issues to citizens, media, and government administration and works with elected representatives to identify and address inefficiencies in their work processes, bridge the information gaps, and aid them in taking corrective measures. To know more about our work and goals, please visit www.praja.org

We are inviting proposals for hosting and maintenance of our Website www.praja.org during the period September 2018 to October 2018.
