## How to use UDRI's Spatial Planning Index?

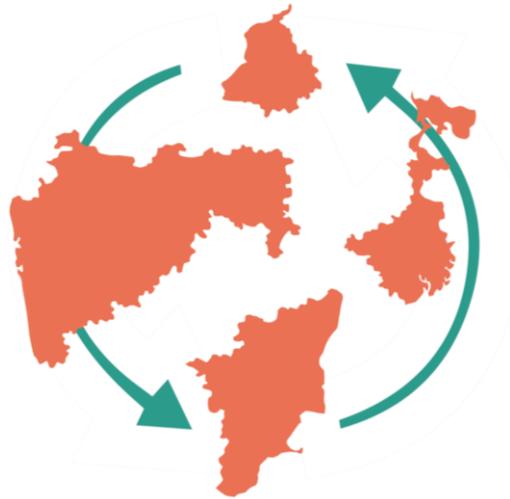

### Actionable Checklist

- Is a regional plan being prepared?
- Is a development plan being prepared?
- Is a zonal/local area plan being prepared?
- Are development schemes/layout plans being prepared?
- Is the regional plan boundary matching the boundary of regional development authority?
- Is the development plan matching the boundary of the Urban Local Body (ULB)?
- Is the zonal/local area plan boundary matching the boundary of the administrative ward?
- Is the development scheme/layout plan being prepared within the ULB boundary?

## How to use UDRI's Spatial Planning Index?

**Examples of good practices gathered from the field**

**Cross learnings through comparison with other states**

**Stronger data-backed feedback loops for policy deliberation**

**Energy**

**Mobility**

**Habitat**

**Agriculture**

**Waste**

**Industry**

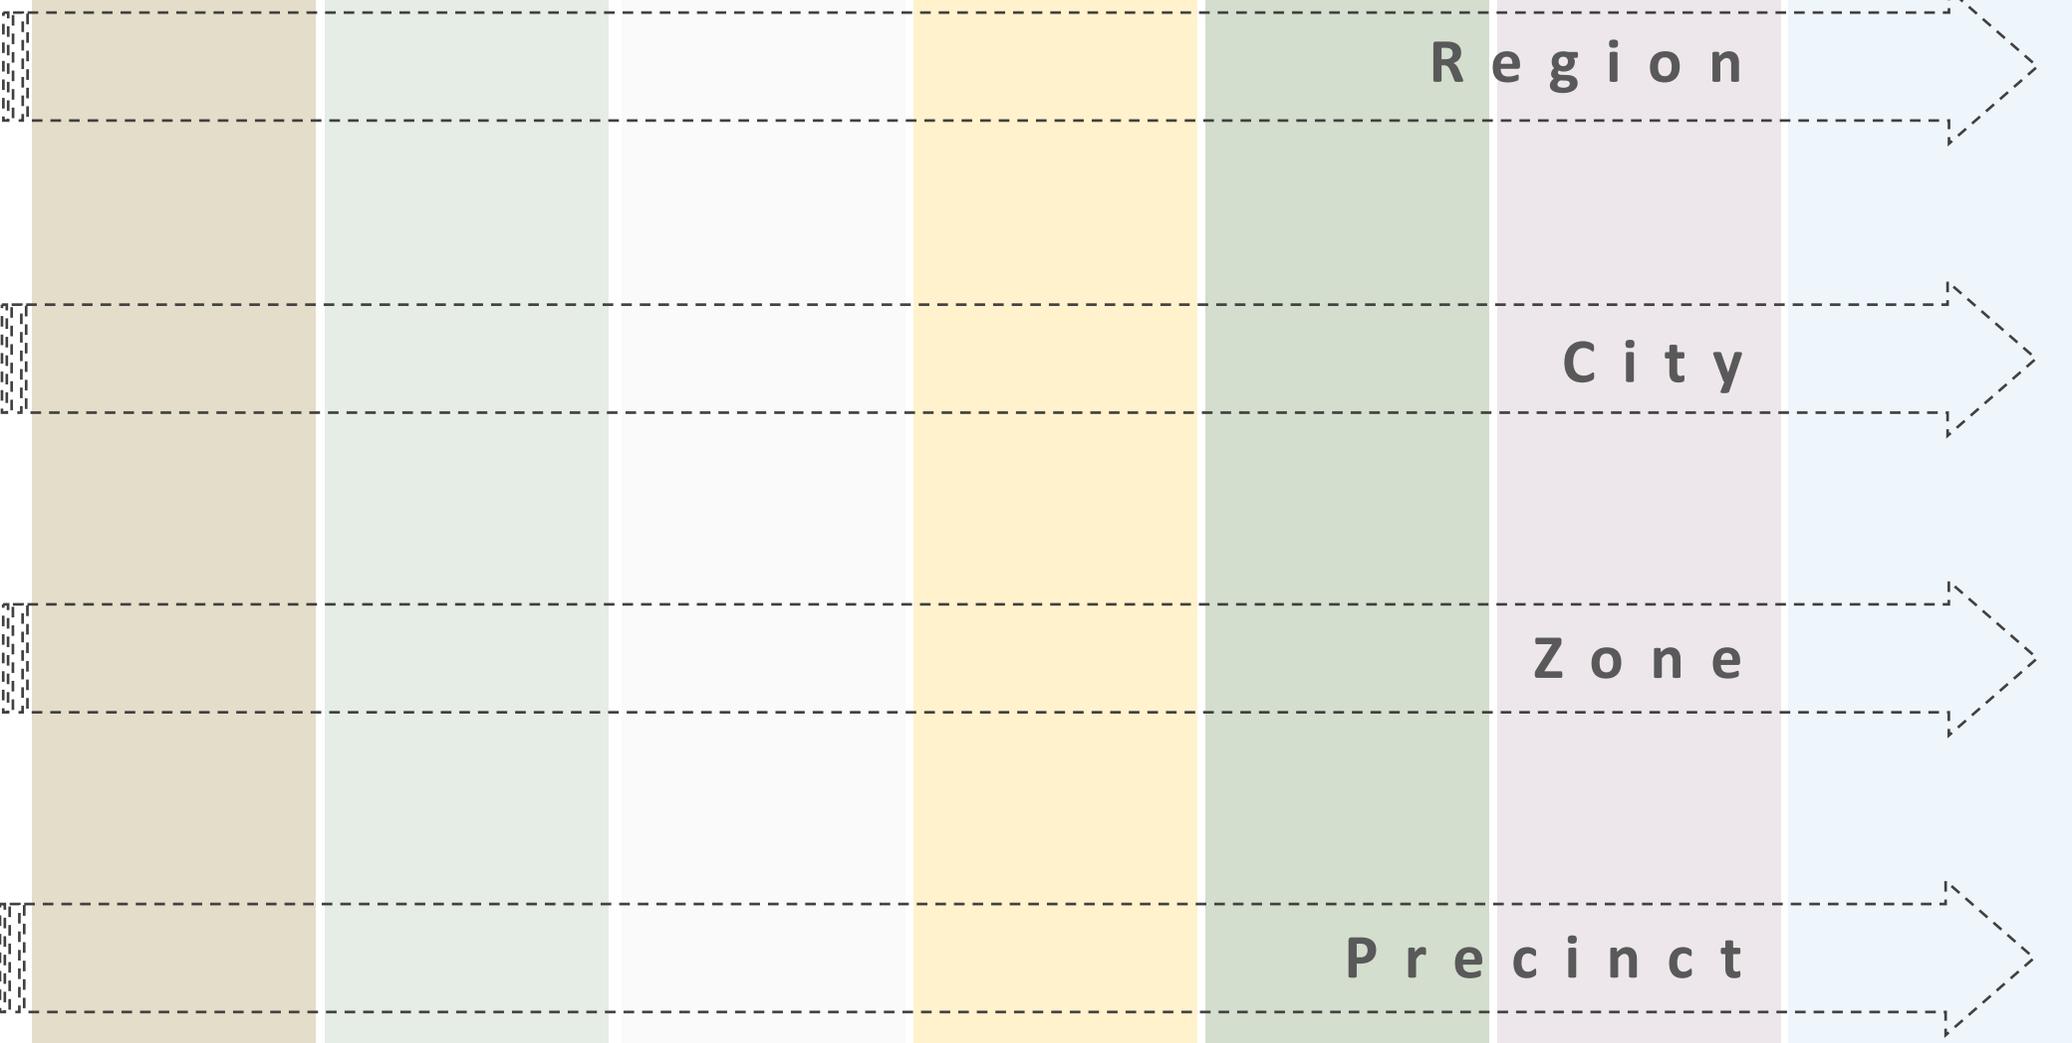

**Water**

**R e g i o n**

**C i t y**

**Z o n e**

**P r e c i n c t**

## Unlocking the Potential of Indian Cities by Strengthening Spatial Planning

### Opportunities and Challenges

**What immediate steps should we take to improve coordination and monitoring mechanisms so that spatial planning efforts align with India's economic and environmental goals?**
