

SMC organizes 5-day workshop for ‘capacity building of all zonal resource persons in city’

Srinagar Municipal Corporation (SMC) on Tuesday organized a five-day workshop for capacity building of all zonal resource persons in Srinagar city. The workshop is collaborated with Premji Azim Foundation.

Earlier the SMC signed Memorandum of Understanding (MoU) with Premji Azim Foundation and Praja Foundation aimed to empower citizen participation through enhanced e-Governance system in Srinagar city, besides capacity building programs for elected Municipal Councilors and administration and also to enhance education system.

During the workshop, the Commissioner SMC Amir Athar Khan who was chief guest at the occasion formally inaugurated the five-day workshop.

While addressing, the Commissioner SMC the training session is imperative to all and will strive towards improving the education scenario in all SMC's schools and continuous professional development of teachers and administrative leadership.

He said all Zonal Resource Persons must derive maximum benefits from this ongoing training session to pass on the educative skills to the common people so that they can further develop and shape up their personality.

Joint Commissioner (Admin), Syed Abul Qasim during the workshop formally welcomed the gathering

Bijoy Shankar Das from Azim Premji Foundation in his lecture said the objective of the session is to know the significance and understanding the meaning of education from different perspectives, different school of thoughts and educational thinkers.

The other representatives of Azim Premji Foundation who addressed at the occasion were Vikas Chandra Roy, Jwaria Saleem and Ti Rang Rang Sanamie.

Secretary SMC, Mudasir Hussain Farda during his address said the training session will be highly beneficial and will transform urban governance and primary education in Srinagar.
